

## **QUALITY POLICY STATEMENT**

Belgrade Polymer Products recognises that the disciplines of quality management are an integral part of its management function. The company views these as a primary responsibility and to be the key to good business in adopting appropriate Quality standards.

The Company Quality Policy calls for continuous improvement in its quality management activities and business will be conducted according to the following principles:

We will:

- Ensure customer satisfaction remains inherent to our business
- Provide superior solutions and products to our customers, focused on their needs
- Follow a quality management system
- Communicate this system within the company and where relevant to our key partners
- Continually review this system to improve its effectiveness
- Involve our employees and key trading partners in the continual development process
- Establish objectives by which effectiveness and improvements may be measured
- Establish feedback systems to measure the performance of BPP
- Learn from both the positive and negative outcomes of this measurement process, making improvements where appropriate
- Develop our internal resources and work with our key trading partners to develop theirs
- Comply with all applicable laws and regulations
